## COMPLETE CONCERT SYSTEMS

C & M Productions can now supply you with complete Concert Staging Systems to suit any application, anywhere.

Create innovative and economical full-blown concert scale staging, previously unavailable in Australia. The modular roofing system allows for almost endless combinations. From a small lighting grid to a 400m<sup>2</sup> outdoor roof.

C&M Productions can bring together audio, lighting, staging and logistics professionals to produce your quality capacity event.

12.192m x 12.192m with 6.4 PA wings as used by Silverchair & Offspring
